UNIVERSITY
STRAWBERRY

H.A. Hyde Co.
GROWERS-NURSERMEN

WATSONVILLE, CALIF.

STRAWBERRIES

We have been headquarters for Strawberry Plants in California for nearly fifty years and will be glad to advise you about your Strawberry planting.

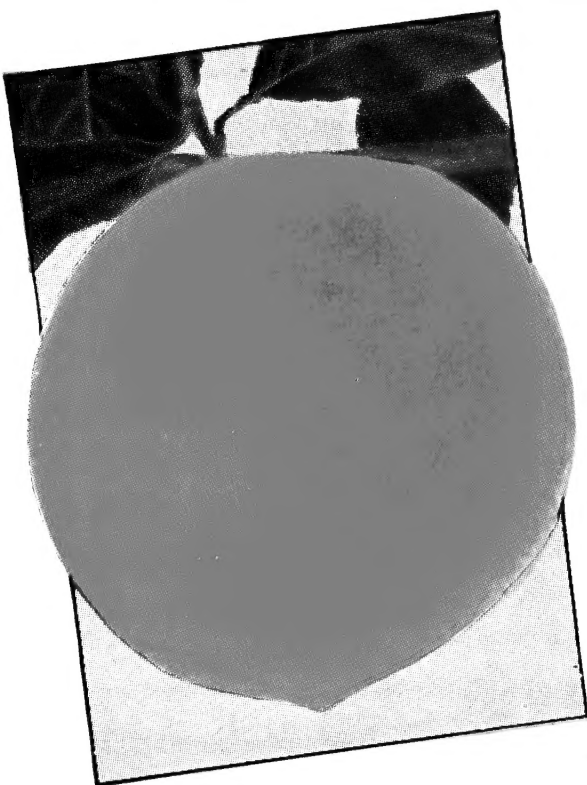

This season we are introducing four new varieties bred and named by our State University, and tested commercially at Salinas. Supply limited. On request, we will advise best ones for your soil and climate, and quote prices.

WATSONVILLE, CALIF.

PEACH, J. H. Hale. A smooth-skinned variety of superior flavor. 4 to 6-ft. tree, \$1.25; 10 to 50 trees at \$1 each.

NECTARBERRY. Sweetly flavored. Delicious fresh, canned, or frozen. The best commercial variety. Requires rich soil, ample water. 35 cts. each; \$3.50 per doz.; \$20 per 100.

APPLE, Red Gravenstein. Large fruits of high quality. Early. 4 to 6-ft. tree, \$1.25; 10 to 50 trees at \$1 each.

WALNUT

Franquette. Large, smooth nut. Our strain is worked up from selected parent trees and should bear in two or three years.

Payne. Very early. Heavy crop.

Eureka. Large, plump kernels.

Any of the above Walnut trees, \$3.50 each; over 50 trees at \$3 each. Ask for quantity prices.

BERRY PLANTS

	Doz.	100
STRAWBERRIES, Hyde's Improved XXX Banner. Excellent for home or market. Almost everbearing in cool regions.....	\$0 75	\$5 00
Rockhill. Fine everbearing variety. Large berries.....	2 50	15 00
Gem. Everbearing. Especially prolific in the fall.....	60	4 00
Mastodon. Giant everbearing sort. Strong grower.....	60	4 00
Dorsett. Heavy producer of large berries. Keeps and ships well.....	50	2 50
University, 4 varieties. Write for information and prices		

STREAMLINED THORNLESS BERRIES. These have come to stay and replace the thorny sorts. Most of the varieties bear more heavily, and the ease of handling and picking more than offsets the additional cost of the plants.

Thornless Loganberries Thornless Himalayas
Thornless Youngberries Thornless Cory's
Thornless Boysenberries

Any of the above Thornless Berries, 50 cts. each; \$5 per doz.; \$20 per 100

Ask for quantity prices

BUSHBERRIES

	Each	Doz.	100
LOGANBERRIES. Dark red berries of subacid flavor. Make excellent jams, jellies, and juice.....	\$0 35	\$3 50	\$20 00
YOUNGBERRIES. Wine-color changing to black; very good flavor. Heavy producer. Early.....	35	3 50	20 00
BOYSENBERRIES. Very large black fruit. Keeps and ships well.....	35	3 50	20 00
PHENOMENAL. Similar to Nectarberries. Unexcelled fresh cross between Logan and Raspberry.....	35	3 50	20 00
NECTARBERRIES. See first page.....	35	3 50	20 00
CURRENTS, Improved Cherry. Large; productive.	50	5 00	30 00
GOOSEBERRIES, Oregon Champion. Transparent pale green berries.....	50	5 00	30 00
BLUEBERRIES. Large and sweet.....	3 for \$3.50
